## Newsletter 29: January 2016

**3 December, District Governor Miguel Marco Real Mendes' Visit:** RC Silves was pleased to welcome the governor who spent the morning reviewing the club's activities with the Board prior to attending our meeting. He was particularly interested in our work with the young of the Algarve and greatly impressed by the work of students in the multimedia project. After viewing some of the movies made by the students of Silves Sul School, he noted the date of the Oscars and offered to judge a category. He also visited the Algoz School and tasted a meal prepared by the students who were practising for our cookery competition, which is organised jointly with IRC Almancil.

**11 December Christmas Lunch:** Rotarians and friends gathered for fun and fellowship at the Amadeus Garden Restaurant at Alcalar for Christmas Lunch. With crackers, party hats and David Trubshaw's renowned riddle quiz, a great time was had by all.

### Shoeboxes for Castelo dos Sonhos:

Friends of RC Silves joined members and filled shoeboxes with Christmas goodies again this year to be distributed to the old and young of the Silves area by Castelo de Sonhos. Honorary member, Pam Winn took delivery of some of the boxes on behalf of RC Silves. Thanks to all those who worked hard to bring a little Christmas joy.

**Happy New Year:** RC Silves wishes all fellow Rotarians and Friends of Rotary a Happy and Prosperous New Year. We thank you for all your help in fundraising last year and look forward to seeing you at our events this year.
